Att: Russell J. Chateaufneuf, P.E.

Dear Mr. Chateaufneuf,

On behalf of the Boone Lake Dam Management District, enclosed please find application for a permit for a two foot draw down of Boone Lake commencing as soon as possible through March of 2011.

The following attachments are included:

General Application Form and Fee (Attach #1)
Project Proposal and Scope prepared by Aquatic Control Technology, Inc (Attach #2)
2010 Year End Report for Boone Lake prepared by Aquatic Control Tech (Attach #3)
2009 Boone lake Aquatic Vegetation Survey Report and Management Recommendation. Prepared by Aquatic Control Technology, Inc (Attach #4)
Map of locations of Boone Lake Invasive Plants (Attach #5)
Map of general native vegetation assemblage (Attach #6)
Boone Lake Bathymetry (Attach #7)
USGS Site Locus Figure 1 (Attach #8)
Current list of property Owners, 126 households (Attach #9)

Enclosed is our \$600.00 fee for the drawdown. If this year's drawdown for the purposes of avoidance of waterfront and dam damage, dam and waterfront erosion, property damage (docks and walls) and weed control, could we use this fee toward a 5 ft draw down 2011/2012?

Sincerely,

Gary Casaly
